IT
REALLY
MAKES ME
REMEMBER
THE PAST.

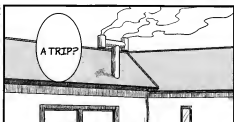

PLEASE,
LOOK AT
THIS!

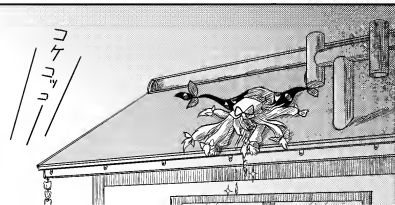

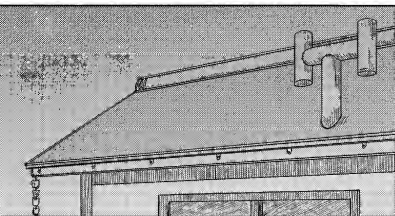

YUKARI-
SAMA!

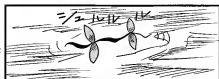

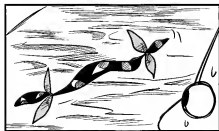

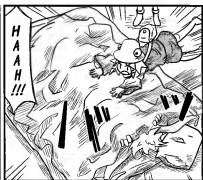

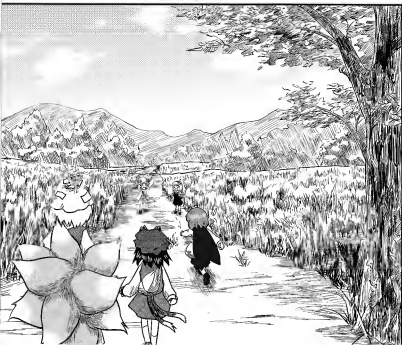

THREE HOURS LEFT, BUT I STILL HAVE TWO BLANK PAGES!! NO WAY!!

So, nice to meet you, or maybe hello again. I'm Sakana.
Alright, this chapter is, just like I promised, about BB... I mean, about young lady Yukari.
How should I put it... Her image was close to Asagi in my head, but then she'd overlap with Kaguya from this series! No way!!
Or so I thought, but I just ignored it! Don't pay too much attention to it!!

So, I came up with the punch line for this chapter and started writing, but, as I said in the beginning, it didn't go well until the deadline was almost there, so I had to rush:
To be honest, I'm a little scared of this book's printing... (Between the image on my monitor and the image that comes out of print, the printed one will be more accurate, so know the state of the picture!)

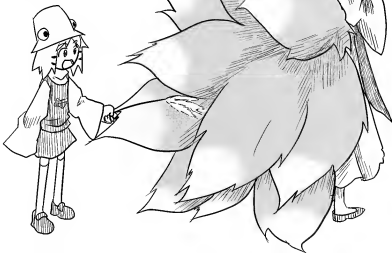

These excuses aside! Yotsuba!! volume 10 is out! We were trying to find a shop that'd sell it to us earlier! Never found one!!

This volume contains a number of stories I read in Dengeki Daioh, so one of the things I'm looking forward to is finding all the corrections and changes in the tankobon version... Azuma-sensei, drawing the electric appliance store is suicide... lol
Anyway, everyone, let's read Yotsuba!!

I've got no time or ideas left anymore again, so I want to say that I was able to get here thanks to: people who always read my works, my friends who give their opinions, bookshops I deal with, and many other people who support me!
I'm devoting this part of afterword to them yet again.

Thank you for reading Suwako!! B!
Well then, till we meet again at some convention!!
